INSTRUCTIONS: The following questions are designed to gather information on your current and past life experience that we think may be important for brain health. There are no right or wrong answers, and you do not have to answer any question that makes you feel uncomfortable. If the question does not apply to your experience, feel free to check **Prefer not to answer**. You should fill out this form on your own, without help from your co-participant or study partner.

Section 1 — Transportation

In this section we are trying to understand the extent to which lack of reliable and consistent transportation is a barrier to accomplishing important activities, such as going to the doctor for appointments, going grocery shopping, or picking up medications (these are only examples).
